

TWO RIVERS

HUNTER VALLEY WINES

Since 1988 Two Rivers have specialised in making quality wines from premium grape varieties. Under the watchful eye of award winning Viticulturist team Brett and Linda Keeping, Two Rivers is now among the premier vineyards of the Hunter Valley. Our Vigneron's Selection range recognises the essential contribution of viticulture to the winemaking process. The vineyard's distinctive site, its careful nurturing and a deep understanding of the vine's requirements are all fundamental to fine wine production. The wines in this range have been selected as being true representations of the unique, individual vineyard sites where they are grown.

VIGNERON'S SELECTION STONES THROW SEMILLON

VINTAGE: 2016

VINEYARD: This wine is from the spectacular 'Inglewood' Vineyard located in the upper reaches of the Hunter Valley. The name 'Two Rivers' was drawn from the Vineyard's unique position nestled on the banks of the Hunter River near its confluence with the Goulburn.

REGION: 100% Hunter Valley

TASTING NOTES: This wine is a classic Hunter Semillon with lifted aromas of citrus and sweet pea. The palate is fine and delicate with flinty characters and flavours of zesty floral citrus.

WINEMAKING: Semillon from the Two Rivers vineyard was harvested in the cool of the night to reduce oxidation and retain natural flavours. The fruit was crushed and pressed before day light and then allowed to cold settle for 2 days. Fermentation was carried out by a neutral yeast allowing all the natural fruit flavours to develop. The finished wine has been gently fined with all natural products.

TECHNICAL INFORMATION: Alc/Vol 10.6%, pH 3.07, TA 6.6

RRP: \$20.00
